How to Implement Family Cost Share
Training module released statewide May 2014

http://www.dars.state.tx.us/ecis/providers/providertraining.shtml

This module was designed to help ECI program personnel:

1. Understand their role in the Family Cost Share (FCS) system.
2. Know the legal requirements for implementing FCS.
3. Be sensitive and culturally competent in financial discussions with families.
4. Accurately complete FCS calculations and forms.
5. Review the FCS Agreement and adjust a family’s maximum charge, as appropriate.
