

Mentoring Online Instructors (MOI) Program

Intended Audience: Designed as a synchronous online sharing community open to CI instructors and their mentees who are teaching non-traditional learners.

Goals:

- Increase the quality of CI online instruction.
- Engage CI online instructors in professional development.
- Familiarize CI instructors how they fit within context of program, department, and university.
- Clarify expectations related to CI online instructors.
- Utilize best practices in teaching non-traditional students.

Participation Requirements:

- Attendance at monthly face-to-face sessions
- Digital access to provided sharing community resources
- Willingness to engage with PERTS' [Copilot: Ascend Program](#)

Meeting Schedule (Online access to meetings available after registering):

Required Sessions: Monday 3:35 – 4:30 PM	Topics Addressed
