

# The Minnesota Scapula Course

September 30<sup>th</sup> and October 1<sup>st</sup>, 2022

## Course Chairman:

### Peter A. Cole, MD, FAOA

*Division Medical Director, HealthPartners Orthopaedics & Sports Medicine  
Program Medical Director, HealthPartners Trauma Network  
Orthopaedic Trauma Director, Regions Hospital  
Professor, University of Minnesota*

Dr. Cole is a graduate of the University Of Miami School Of Medicine and fulfilled his residency at Brown University in Providence, before sequential fellowships in Orthopaedic Trauma at Brown University and University of Washington at Harborview Medical Center. After 4 years in Jackson, MS at the University Medical Center, he was recruited to build a trauma program in Minnesota's Regions Hospital in 2002.

Dr. Cole has developed a worldwide reputation as an educator and researcher on advanced trauma topics including surgery of complex joint injuries, minimally invasive osteosynthesis, and injuries of the pelvic ring. Perhaps his greatest of discovery and innovation is in the area of complex shoulder girdle injury, and he has the largest surgical experience on record for the treatment of scapula fractures.

# Faculty

## Babar Shafiq, MD, MS

**Director of the Orthopaedic Bone Health Center, John Hopkins**  
**Assistant Professor of Orthopaedic Surgery,**  
*John Hopkins University School of Medicine*

Dr. Shafiq is a board certified, fellowship trained orthopaedic surgeon who specializes in orthopaedic traumatology. Dr. Shafiq is a graduate of Howard University College of Medicine and completed his residency at the Howard University Hospital. He completed his fellowship in Orthopaedic Traumatology at the University of Minnesota.

## Andrew M. Choo, MD

**Orthopedic Trauma and Reconstructive Shoulder, UT Health**  
**Assistant Professor of Orthopaedic Surgery,**  
*McGovern Medical School at The University of Texas Health Science Center at Houston*

Dr. Choo is a board certified and fellowship trained orthopaedic surgeon who specializes in Orthopedic Trauma. Dr. Choo completed his residency at Seton Hall School of Health and Medical Services. He went on to complete a fellowship in Orthopedic Traumatology at the University of Texas Health Science Center and an additional fellowship in Shoulder and Elbow surgery from Thomas Jefferson University in Philadelphia, PA.

## Evgeny A. Dyskin, MD, PhD

**Trauma, Joint Replacement & Reconstruction, General Orthopaedics,**  
*University at Buffalo Orthopaedics & Sports Medicine*  
**Assistant Professor of Orthopaedics, University at Buffalo**

Dr. Dyskin is a board certified, fellowship trained orthopaedic surgeon who specializes in orthopaedic trauma, joint replacement and reconstruction. Dr. Dyskin is a graduate of Tver State Medical Academy. He completed multiple residencies in trauma and orthopaedic surgery. He was fellowship trained in Orthopaedic Traumatology at the University of Minnesota.

## Philip J. Kregor, MD

**Orthopedic Surgeon / Orthopedic Traumatologist,**  
*The Hughston Clinic*

Dr. Kregor is a board certified orthopedic surgeon and orthopedic traumatologist specializing in pelvic and acetabular trauma. Dr. Kregor completed his orthopedic surgery residency at University of Washington / Harborview Medical Center in Seattle, Washington. Dr. Kregor was awarded the first International Fellowship in Pelvic and Acetabular Trauma and he has completed the AO Jack McDaniel Fellowship in trauma.

# Faculty

## **Austin Heare, MD**

*Orthopedic Trauma and Adult Reconstruction, Denver Health*

Dr. Heare is a fellowship-trained Orthopaedic Surgeon specializing in Trauma and Adult Reconstruction. He received a bachelor of science in Biology from Colorado State University and a medical degree from the University of Texas McGovern Medical School. Dr. Heare completed Orthopaedic Surgery residency training at the University of Colorado School of Medicine and fellowship training at the University of Minnesota Regions Hospital Orthopaedic Trauma Fellowship.

## **Jonah Hebert-Davies, M.D., FRCSC**

*Assistant Professor in Orthopaedics and Sports Medicine,  
UW Medicine at Harborview Medical Center  
Orthopedic Trauma, UW Medicine*

Dr. Hebert-Davies is a board certified, fellowship trained orthopedic surgeon specializing in orthopedic trauma and shoulder and elbow reconstruction. Dr. Hebert-Davies completed orthopaedic residency from University of Montreal. He then completed an orthopedic trauma fellowship at Harborview Medical Center followed by a Shoulder and Elbow fellowship at Washington University in St. Louis.

## **David J. Weatherby, MD**

*Assistant Professor, Department of Orthopaedic Surgery,  
University of Minnesota  
Orthopaedic Trauma, Regions Hospital*

Dr. Weatherby is a board certified, dual fellowship trained orthopedic surgeon specializing in orthopedic trauma and upper-limb surgery. Dr. Weatherby completed orthopaedic residency at the University of Calgary Health Sciences Center. He then completed an orthopedic trauma fellowship at University of California (Davis) Medical Center followed by an Upper Extremity fellowship at Dalhousie University.
