

# Primary Infection Prevention Track One: Prevention for All Health Care Settings, Acute Care Hospital, Ambulatory Care & Surgical Centers

## Details

Thursday, March 30, 2023, 8AM to 5PM, and Friday, March 31, 2023, 8AM to 4PM, at Methodist Women's Hospital Medical Office Building (MOB) 717 N 190th Plaza, Elkhorn, NE 68022

The Nebraska Infection Control Network (NICN) Primary Infection Prevention course offers a combination of lectures, discussions, and educational activities on the prevention and control of infections in various health care settings. The first day will focus on infection and prevention in all health care settings. Day two will focus on Acute Care Hospitals, Ambulatory Care & Surgical Centers.

### Program Objectives:

- Choose at least one new infection control method to integrate into practice
- Discuss ways to prevent and stop the transmission of infection
