

NICHE-AgeWISE Collaborative: Best Practices in Gerontological Care

Jewish Community Center of Omaha, 333 South 132nd Street, Omaha, NE 68154

Friday, August 3, 2018, 8:00 AM to 4:00 PM

PURPOSE STATEMENT AND AGENDA

This conference will provide best practices in the care of older adults across the continuum of care.

Program Objectives:

- Describe the purpose and membership of the international collaboration of orthopaedic nursing
- Review the internationally developed consensus guidelines for best practice care of older adults with fragility hip fracture
- Describe how implementing specific evidence-based care strategies improved patient outcomes across Sweden.
- Describe the process of creating and testing an audit of nursing quality indicators specific to the care of older adults with hip fracture, and much more!
