

**An Introduction to Dissemination and Implementation Research in Health:
A Four-Day Short Course
August 2021**

Agenda

Day 1 (August 23)

Time	Topics
-------------	---------------

9:00-9:15 Welcome and Introductions

9:15-10:30 Introduction to Implementation Science

10:30-10:45 Break

10:45-11:30 Theories, Frameworks, and Models

11:30-12:30 In-Class Activity

12:30-12:45 Wrap up and Q&A

Day 2 (August 24)

Time	Topics
------	--------

9:00 – 9:30 **Models Review and Q&A**

9:30- 10:30 **Implementation Outcomes**

10:30 – 11:00 **Project Brainstorm**

11:00 -11:10 **Break**

11:10 – 12:10 **Implementation Strategies**

12:10 - 12:35 **Implementation Strategy or Intervention/program – Interactive Activity**

12:30-12:45 **Wrap Up and Q&A**

Day 3 (August 25)

Time	Topics
------	--------

9:00 – 9:30 **Implementation Strategies Review and Q&A**

9:30 – 10:30 **Developing Implementation Strategies Using Implementation Mapping**

10:30 – 11:00 **Project Brainstorm**

11:00- 11:10 **Break**

11:10 – 12:10 **Dissemination and Implementation Science; What are Appropriate Research Questions?**

12:10- 12:35 **Small group discussion**

12:30-12:45 **Wrap Up and Q&A**

Day 4 (August 26)

Time	Topics
------	--------

9:00-9:30 **Implementation Research Questions Review and Q&A**

9:30 – 10:30 **Study Designs, Methods, and Measurement**

10:30 – 11:00 **Project Brainstorm**

11:00- 11:10 **Break**

11:10 – 11:55 **Fidelity and Adaptation of Evidence-based programs**

11:55 – 12:15 **Project Brainstorm**

12:15 – 12:30 **Review final assignment**

12:30 - 12:45 **Final Q&A and Wrap up**
